MAIK M. PAULSEN

GOOD DAY, HELLO AND BUENOS DÍAS!

My name is Maik M. Paulsen. I look forward to captivating your guests with my “art of deception”. My performances are stylish, charming and full of wonders you can experience up close.

My work is not about loud effects or flashy distraction, but about refined, personal entertainment at eye level. My form of magic creates a relaxed atmosphere, genuine interaction and unforgettable moments. Your guests are not merely spectators, but an active part of the experience.

I would be delighted to enchant the guests at your exclusive event in Mallorca.

Warm regards,

Maik M. Paulsen

MALLORCA

A STAGE FOR SPECIAL EXPERIENCES

The Balearic island of Mallorca has long been more than a dream destination for holidaymakers. It has become a hotspot for exclusive events, elegant galas and high-quality celebrations in both private and corporate settings.

Whether it is a luxurious finca wedding, a networking event with sea views or a stylish corporate occasion, Mallorca offers the perfect setting for extraordinary experiences.

With professional preparation, stylish presentation and a refined instinct for special moments, I accompany events in Mallorca with the highest standards of quality, entertainment and atmosphere. Everything is individually tailored to your event and your guests.

MAIK M. PAULSEN: THE MOST HONEST CARD CHEAT IN THE WORLD

With nothing more than a deck of cards and skilful fingers, I take your guests into the world of cheating. It is entertaining, surprising and full of magic.

In my interactive show “Black Jack Magic”, your guests experience the flair of a casino combined with magic at the highest level. For my cheat’s show, I bring my own blackjack table. Of course, there are chips too, but winning here is not a matter of luck. It is a guarantee of first-class entertainment.

Humorous improvisation, astonishing illusions and refined interaction turn every round into an experience, both for the players and for everyone watching around the table. Cards transform, chips magically change places and it all happens right before your guests’ eyes.

Never before has a blackjack table been this much fun.

SHELL GAME

& CLOSE-UP MAGIC

Whether on the Champs-Élysées, the Ku'damm or Playa de Palma, the shell game is part of the street scene in many major cities. I turn this classic into a modern and charming show full of wit, interaction and sleight of hand.

Three nutshells and a ball, and the game begins. The performance thrives on improvisation, dialogue with the audience and the charm of the moment. A game that connects and delights.

In addition, I present further close-up magic from my versatile repertoire, always at the highest level and with elegant understatement. At the table, at the bar or wherever you wish, I perform magic not only for your guests, but with them.

BRANDING AND CUSTOM DESIGN

Would you like to elevate your event with bespoke elements? No problem. I offer you the opportunity to integrate your logo or event motto into the entertainment cheat show, allowing your message to be presented in an effective and memorable way.

In a playful and entertaining manner, your guests receive exactly the information you wish to communicate. Together with my graphic design team, I create bespoke chips that your guests can take home as a special keepsake from a truly distinctive event. This turns your message into part of the show, charmingly integrated and stylishly realised.

SELECTED CLIENTS

My clients include more than half of all DAX-listed companies. My performances at exclusive events in Germany and abroad range from intimate private celebrations to grand gala events, from business formats to cultural highlights. I perform in German and English, always tailored to the audience and always with a personal touch.

THE TABLE

A PLACE OF COMMUNICATION

I developed my casino table specifically for the requirements of small, exclusive events in Mallorca. With its compact dimensions of 1.50 m x 80 cm, it fits almost anywhere, whether in a restaurant, in a bodega, at a rooftop location or on board a yacht.

Within a very short time, the table becomes the communicative centrepiece of your event. Your guests start talking, follow the action at the table, laugh together and become part of an extraordinary experience.

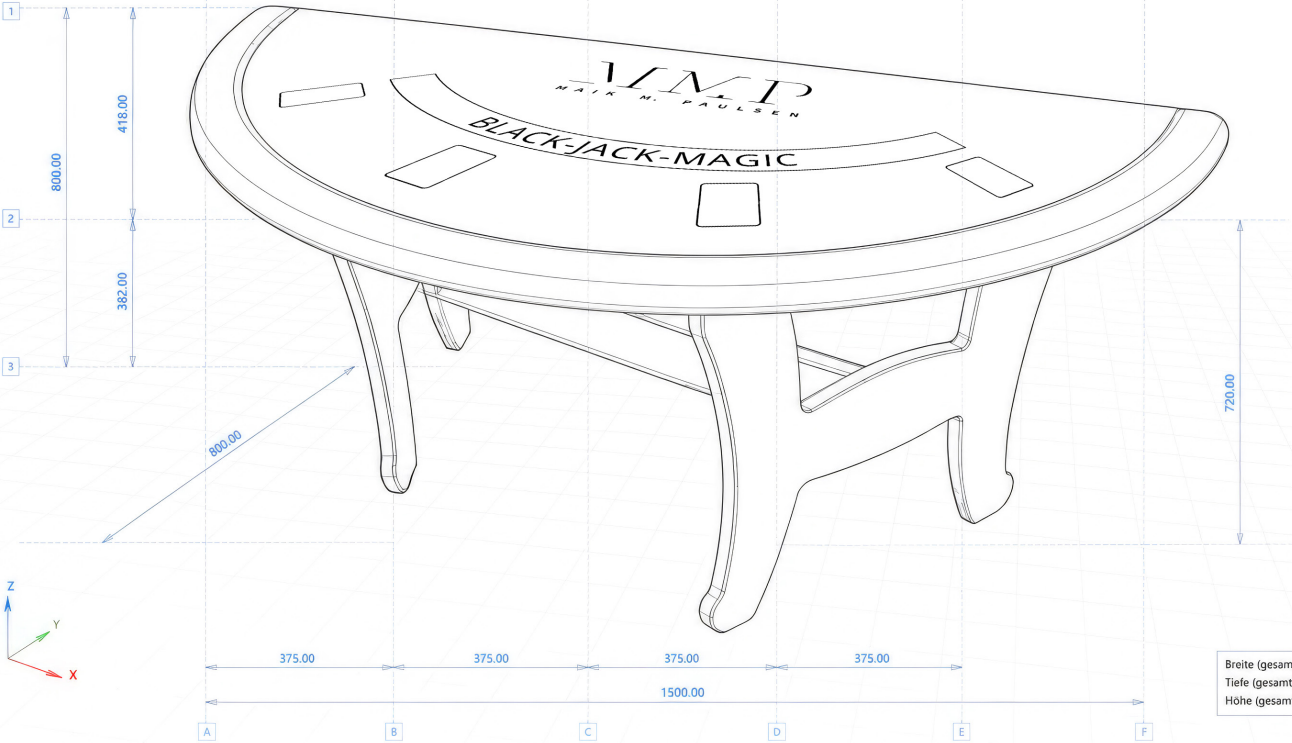

On request, I can of course brand the blackjack table individually, for example with your logo, your event motto or a specially designed visual concept. This turns the table into more than a stage for entertainment. It also becomes a stylish part of your brand presentation.

PHILOSOPHY: **ENTERTAINMENT YOU CAN TOUCH**

“Black Jack Magic” is not a show in the traditional sense. It is an experience that takes place right in the heart of your guests. It comes to life through direct communication, play and interaction, turning your event into a true highlight.

Curiosity becomes amazement, observers become players, and a simple table becomes a place full of emotion, conversation and laughter. My aim is honest entertainment that connects people and stays in the memory.

BIOGRAPHY: THE STORY OF MAIK M. PAULSEN

Little is known about my past, just as little as about my secret techniques. What I can tell you is this: I have spent many years refining my craft as a juggler, magician and entertainer.

When I am not performing magic at the blackjack table, I work with the team at my creative and artist agency, Paulsen & Consorten GmbH, to develop unique show concepts for companies, municipalities and exclusive events. And if you happen to spot me on Berlin's Ku'damm, I might just be outplaying a street shell game hustler.

PRICING

„ There is hardly anything in the world that someone cannot make a little worse and sell a little cheaper, and people who consider price alone are this man's lawful prey. It is unwise to pay too much, but it is worse to pay too little. When you pay too much, you lose a little money. That is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing what it was bought to do. The common law of business balance prohibits paying a little and getting a lot. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better. “

John Ruskin (1819 – 1900, British writer and social philosopher)

High-quality entertainment comes with a price and with value. I stand for transparent and fair fees. Those who only look for the cheapest offer often miss out on the best. What I offer is not off-the-shelf entertainment but tailored experiences that are professional, personal and created with a love for detail.
